Cooperative Compliance Scheme:

FinecoBank admitted in the Cooperative Compliance Scheme with the Revenue Agency

In July 2017, **FinecoBank** has been admitted to the **Cooperative Compliance Scheme⁽¹⁾**, which allows the Bank to take part to a register of taxpayers (published on the Revenue Agency's official website) **operating in full transparency with the Italian tax Authorities**. This is a fundamental milestone for our Bank

Key requirements to be admitted:

- ✓ **subjective and objective requirements** (resident legal entities with specific sizing thresholds)
- ✓ **effective system in place for identifying, measuring, managing and controlling tax risk** in line with the "essential" requirements of the *Tax Control Framework* envisaged by law, Revenue Agency ordinances and by the OECD documents published on the subject

Several advantages:

- ✓ closer relationship of **trust and cooperation** with the Revenue Agency
- ✓ **Increase of the level of certainty on significant tax issues** under conditions of full transparency
- ✓ **agreed and preventive risk assessment** of situations likely to generate tax risks
- ✓ **fast track ruling**
