

EMPLOYEES

A Culture of Listening

Regular opportunities for dialogue and dedicated surveys help strengthen engagement and support wellbeing across the organization.

CUSTOMERS

Focus on Customer Experience

Proactive listening across multiple channels, continuous feedback analysis and prompt issue resolution help us enhance the customer experience and strengthen trust.

FINANCIAL COMMUNITY

Ongoing Dialogue with the Market

Roadshows, conference calls and meetings with Investors and Analysts ensure timely and transparent sharing of our strategy and results.

FINANCIAL ADVISORS

Strategic Alignment and Support

Web conferences, road shows and targeted meetings designed to foster professional growth and support the evolution of our products and services.

FINECO

Our Commitment to Stakeholders

REGULATORS

Compliance and Collaboration

Ongoing and transparent dialogue with Supervisory and Regulatory Authorities ensures full compliance and fosters effective cooperation.

SUPPLIERS

Compliance and Supply Chain Quality

Targeted approaches and tools designed to ensure value, quality and security in our relationships with Suppliers and Commercial Partners.

LOCAL COMMUNITIES AND THE TERRITORY

Support and Solidarity

Active listening and concrete responses to the needs of local Communities and the areas in which we operate.
