DIRECTORS' REPORT

Completion of the Board of Statutory Auditors

Dear Shareholders,

We have called in this Ordinary Meeting to resolve, *inter alia*, on the completion of the Board of Statutory Auditors of FinecoBank S.p.A..

In connection with the above, the proposals submitted for your approval are described below.

1. COMPLETION OF THE BOARD OF STATUTORY AUDITORS.

1.1 Reasons for proposing the completion of the Board of Statutory Auditors

Following the resignation handed in by Mr. Stefano Fiorini, Chairman and permanent Statutory Auditor of your Company, on September 4, 2017, Mrs. Elena Spagnol, who was already a stand-in Statutory Auditor chosen in the same list as the outgoing Statutory Auditor, replaced him as Chairman and permanent Statutory Auditor, pursuant to Article 23, paragraph 14, of the Articles of Association.

Taking into account that, according to the above-mentioned provisions, the new statutory auditors replacing the statutory auditors no longer in office remain in office until the next Shareholders' Meeting – that shall appoint the statutory auditors abiding by the principle regarding the compulsory presence of the minorities and the balance between the genders – you are invited to complete the Board of Statutory Auditors by appointing a permanent Statutory Auditor whose office will expire at the same time as the members of such Board in office (*i.e.* at the Meeting called for the approval of the 2019 financial statements) and, if needed, a new stand-in Statutory Auditor.

In this regard, it should be noted that, pursuant to Article 23, paragraph 14, of the Articles of Association, if the appointment of the stand-in Statutory Auditor in lieu of the permanent Statutory Auditor (*i.e.* Mrs. Elena Spagnol) is not confirmed by the Shareholders' Meeting, he shall return to his position as stand-in Auditor.

On the Company's website there is published the list of the minimum documentation to be provided in connection with possible candidacies for the completion of the Board of Statutory Auditors together with drafts of the declarations to be signed.

2. RESOLUTIONS PROPOSED TO THE ORDINARY SHAREHOLDERS' MEETING

Dear Shareholders,

If you agree with the content shown in this Report, pursuant to the provisions set forth in the Article of Association and the current laws and regulations, we ask you to appoint a permanent Statutory Auditor for the completion of the Board of Statutory Auditors (and, if necessary, to appoint, a new stand-in Statutory Auditor), who shall remain in office until the end of term of the current Board of Statutory Auditors and, therefore, until the Shareholders' Meeting called to approve the financial statements for the 2019 financial year.

ORDINARY SHAREHOLDER'S MEETING

DIRECTORS' REPORT

ON

2018 COMPENSATION POLICY

Dear Shareholders,

We called you at the Ordinary Shareholders' Meeting to submit to you the proposal for approval of the "2018 FinecoBank Compensation Policy" (hereafter also the "**2018 Compensation Policy**"), reported in the attached document which forms an integral part of this Report, prepared in compliance with the provisions of in the Bank of Italy Circular no. 285 of 17 December 2013 on the "Supervisory Provisions for Banks" (hereafter, the "**Supervisory Provisions**") which provide that the ordinary Shareholders' Meeting approve, among other things, the remuneration policy for the members of the Board of Directors, employees and collaborators not linked to the company by subordinated employment relationships (that in FinecoBank are the financial advisors authorized to offer off-site services). Approval of the compensation policy and incentive systems must be consistent with respect to prudent risk management and long-term strategies, also providing for a correct balance between the fixed and variable components of the remuneration as required by the applicable regulations; with regard to the latter, risk weighting systems and mechanisms aimed at ensuring the connection of the remuneration with actual and lasting results.

Furthermore, again in compliance with the Supervisory Provisions, the 2018 Compensation Policy provides information on the implementation of the 2017 FinecoBank compensation policy, approved by the Shareholders' Meeting on 11 April 2017 (see Section III of the 2018 Compensation Policy, containing the "Annual Report on Remuneration").

It is therefore proposed that this Shareholders' Meeting approve the 2018 Compensation Policy which defines the principles and standards that FinecoBank applies and which are used to define, implement and monitor the compensation policy and systems. The proposal was formulated by the Human Resources function, with the contribution of the Compliance, Risk Management, Finance and Network Control, Monitoring and Network Services functions, with regard to the topics whose description falls within their competence. Shareholders are invited to consult information regarding the implementation of the FinecoBank 2017 Compensation Policy approved by the Shareholders' Meeting on 11 April 2017.

The document is also prepared in fulfillment of the obligations prescribed by Article 123-ter of Legislative Decree 58/98 (also "TUF").

2018 Compensation Policy

The relevant pillars of the 2018 Remuneration Policy, which are confirmed with respect to those approved by the Shareholders' Meeting on 11 April 2017, are summarized below:

- (a) clear and transparent governance;

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

ORDINARY SHAREHOLDERS' MEETING
ITEM NO. 4 ON THE AGENDA

- (b) compliance with regulatory requirements and principles of good professional conduct;
- (c) continuous monitoring of market trends and practices;
- (d) sustainable pay for sustainable performance;
- (e) motivation and retention of all staff, with particular focus on talents and key players;

Furthermore, in line with national and international regulations, the main contents of the 2018 Compensation Policy are:

- (a) compensation structure and performance of the Chief Executive Officer and General Manager;
- (b) updates on the regulatory framework as well as on the reference peer group for remuneration benchmarking;
- (c) the ratio between variable remuneration and fixed remuneration. In particular, for employees who belong to the business functions, the maximum level - approved by the Fineco Shareholders' Meeting of 5 June 2014 - equal to 2:1 has not been changed; for the remaining part of employees, a maximum ratio of 1:1 is generally adopted, with the exception of the Corporate Control Functions Identified Staff, for which the variable remuneration is expected to not exceed one third of the fixed remuneration . With regard to the Financial Advisors Identified Staff, the ratio 2:1 applies between the so-called non-recurring remuneration and the recurring remuneration. The adoption of the 2: 1 ratio between variable and fixed remuneration has no implications on the Bank's ability to continue to comply with prudential rules and in particular with regard to own funds requirements;
- (d) information on the role and activities of the Remuneration and Appointments Committee until 11 April 2017 and subsequently the Remuneration Committee, as well as the role of the Compliance, Audit and Risk Management functions;
- (e) the definition of Identified Staff 2018 for both employees and Financial Advisors;
- (f) a complete description of the implementation of the FinecoBank 2017 Incentive Systems reserved for the Identified Staff (employees and Financial Advisors);
- (g) a complete description of the new 2018 Short-Term Incentive Systems reserved for the Identified Staff (employees and Financial Advisors);
- (h) a complete description of the new 2018-2020 Long-Term Incentive Systems reserved for selected employees and for Financial Advisors Identified Staff;
- (i) complete information on the data requested by national and international regulators.

DIRECTORS' REPORT

ON

2018 INCENTIVE SYSTEM FOR EMPLOYEES IDENTIFIED STAFF

Dear Shareholders,

We have called you to the Ordinary Shareholders' Meeting to submit the proposal for the approval of the 2018 Incentive System aimed at assigning an incentive, in cash and / or in free ordinary shares, to be paid over a multi-year period to FinecoBank employees Identified Staff, according to the methods described below and subject to the achievement of specific performance targets (hereafter, the "**2018 System**" or "**2018 Incentive System**").

This proposal is prepared in compliance with the provisions of art. 114-bis of Legislative Decree no. 24 February 1998, n. 58 and also taking into account the implementing rules issued by Consob regarding the allocation of compensation plans based on financial instruments to corporate officers, employees or collaborators; moreover, in compliance with the aforementioned provisions, the information document pursuant to art. 84-bis of Consob Regulation 11971/99 and subsequent amendments that was made available to the public within the terms of the law and to which reference should be made for the detailed description of the Incentive System illustrated in this Report

The proposal is also in line with FinecoBank's Compensation Policy, with the provisions issued by the Bank of Italy on remuneration and incentive policies and practices, with the provisions contained in Directive 2013/36 / EU (Capital Requirements Directive or CRD IV).), as well as the guidelines issued by the EBA (European Banking Authority). In this regard, it should be noted that, in compliance with the aforementioned provisions, FinecoBank has established the adoption, for employees belonging to the business functions, of a ratio between the variable component and the fixed component equal to 2:1, except of course the application a lower limit according to the provisions of current legislation.

1. 2018 INCENTIVE SYSTEM FOR EMPLOYEES IDENTIFIED STAFF

GOALS

The 2018 System is aimed at incentivizing, retaining and motivating the beneficiaries, in compliance with the provisions issued by national and international authorities with the aim of reaching - in the interest of all stakeholders - remuneration systems aligned with Company's long-term strategies and objectives, linked with company results, adjusted in order to consider all kind of risks, in coherence with capital and liquidity levels needed to cover the activities in place and, in any case, able to avoid misleading incentives that could drive excessive risk taking for the bank and the system in its whole.

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

BENEFICIARIES

The following potential beneficiaries of the 2018 System are identified - in line with the criteria set out in the European Commission Regulation no. 604/2014 of 4 March 2014 - as **"Identified Staff"**:

- the Chief Executive Officer and General Manager (CEO/GM), the Deputy General Managers (DGM), the Executive Vice President (EVP), the Senior Vice President;
- employees with total remuneration more than € 500,000 in the last year;
- employees included within 0.3% of staff with the highest remuneration at local level;
- other selected roles (including new hires).

The total number of beneficiaries, as of 10 January 2018, is 16.

ELEMENTS OF THE 2018 SYSTEM

- (a) In line with the approach adopted in 2017, the 2018 System is based on the concept of "bonus pool" for determining the variable remuneration that will be paid in 2019. The link between profitability, risk and remuneration is guaranteed by directly linking the bonus pool with the company results (at Group and local level), the cost of capital and the relevant risk profiles as defined in the relevant framework for determining the risk appetite;
- (b) the bonus pool will be defined on the basis of the performance of FinecoBank and the Group and assigned to the Identified Staff according to the individual performance;
- (c) the 2018 System - in addition to attracting, retaining and motivating the beneficiaries - confirms the alignment of the FinecoBank Incentive System with national and international regulatory requirements, providing for:
 - the assignment of a variable incentive defined on the basis of the established bonus pool, the valuation of the individual performance and the internal benchmark for specific roles, as well as consistent with the ratio between the fixed and variable components defined by the ordinary Shareholders' Meeting;
 - the definition of a balanced structure of "upfront" (made at the time of performance evaluation) and "deferred" payments, in cash and shares;
 - payments in shares consistent with the applicable regulatory provisions, which require periods of unavailability on them. In fact, the defined payment structure provides for the deferred allocation of shares (two years for "upfront" payment and one year for "deferred" payments)
 - risk-weighted measures, in order to guarantee long-term sustainability with reference to the Bank's financial position and to ensure compliance with the Authority's expectations;
 - entry and malus conditions of capital, liquidity and profitability of FinecoBank and of the Group, specific individual compliance conditions and a specific clawback clause;
- (d) the individual performance assessment is based on the achievement of specific goals linked to the five fundamental elements of the UniCredit Group's competency model: "Customers First"; "People Development"; "Cooperation and Synergies"; "Risk Management"; "Execution & Discipline";

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

ORDINARY SHAREHOLDERS' MEETING
ITEM NO. 5 ON THE AGENDA

- (e) the payment of the total incentive so defined will be executed over a multi-year period (2019 - 2024), as indicated below and on condition that the beneficiaries are in service at the time of each payment:
- in 2019 the first installment of the total incentive ("1st tranche") will be paid in cash, after verifying at individual level the compliance with compliance rules and with principles of conduct and behavior, also considering the seriousness of any internal / external inspections findings (i.e. Audit, Bank of Italy, Consob and / or similar local authorities);
 - in the period 2020-2024 the residual amount of the total incentive will be paid in several installments in cash and / or FinecoBank free ordinary shares; each individual tranche will be subject to the application of the Zero Factor related to the year of competence and to the verification of compliance by each beneficiary with the compliance rules and with the principles of conduct and behavior, also considering the seriousness of any internal / external inspections (i.e. Audit, Bank of Italy, Consob and / or similar local authorities);
- (f) the assessment of the Group and local "sustainable performance" parameters (entry and malus conditions) and the alignment between risk and remuneration are examined by the Remuneration Committee, as well as by the Risk and Related Parties Committee and defined by the Board of Directors;
- (g) the percentages of cash and shares payments are established according to the category of beneficiaries, as shown in the following table:

	2019	2020	2021	2022	2023	2024
CEO/GM and other roles foreseen by the law	20% cash	10% cash	20% shares	10% shares	10% shares	20% cash + 10% shares
Other Identified Staff	30% cash	10% cash	30% shares	10% cash+ 10% shares	10% shares	-

- (h) in line with 2017, there is a minimum threshold below which no deferral will be applied (i.e. € 75,000.00 which will be paid in cash);
- (i) the 2018 System may be offered also during the recruitment of Identified Staff from the external market. In the event that new hires are already holders of deferred incentive plans ("buy-out" bonus), the payment scheme offered will reflect the deferment methods defined by the previous employer, in any case in compliance with current legislation;
- (j) the number of shares to be paid in the respective tranches will be defined in 2019 on the basis of the arithmetic mean of the official closing prices of the FinecoBank ordinary shares recorded in the month prior to the Board resolution that evaluates the results achieved in 2018. The maximum estimated shares assignment is equal to n. 505,345 FinecoBank free ordinary shares, representing approximately the 0.08% of FinecoBank's share capital, of which a maximum of no. 50,535 FinecoBank ordinary shares will eventually be allocated to hiring Identified Staff from the external market;

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

(k) the FinecoBank free ordinary shares assigned will be freely transferable.

CHANGES TO THE 2018 SYSTEM

In order to ensure compliance with the current legal and regulatory provisions (including fiscal matter), during the implementation of the 2018 System, it deems appropriate to propose delegation of powers to the Chairman and the Chief Executive Officer and General Manager, also separately among themselves, to make any changes to the 2018 System that do not alter the substance of the resolutions of the Board of Directors and the Shareholders' Meeting, also by resorting to different solutions, which in full compliance with the 2018 System principles, enable the same results to be achieved (i.e. a different percentage distribution of the payments of the different tranches, a different deferral period, a period of restriction on the sale of the shares, the extension of the 2018 System to other beneficiaries considered equivalent to the Identified Staff, also using trust companies; of instruments other than Fineco shares where required by the regulations, the payment of an equivalent amount in cash instead of the allocation of shares, to be determined on the basis of the market value of FinecoBank shares, taking into account the arithmetic mean of the official market prices of the ordinary shares recorded in the month preceding each board resolution related to the actual allocations).

It is understood that the aforementioned changes will in any case be adopted in compliance with the applicable legal and regulatory provisions pro tempore in force.

2. SHARES REQUESTED FOR THE 2018 INCENTIVE SYSTEM FOR EMPLOYEES IDENTIFIED STAFF

The issue of free ordinary shares necessary for the implementation of the 2018 System, as in the past, will be carried out in compliance with the provisions of art. 2349 of the Italian Civil Code on the basis of the delegation granted to the Board of Directors, pursuant to art. 2443 of the Italian Civil Code.

For this reason, today's Shareholders' Meeting in extraordinary session will be called to approve the proposal to assign such delegation to the Board of Directors.

In particular, for the purpose of issuing FinecoBank ordinary shares for the 2018 System, the proposal to grant a delegation to the Board of Directors pursuant to art. 2443 of the Civil Code to proceed with the increase in share capital, in compliance with the provisions of art. 2349 of the Italian Civil Code, for a maximum amount of Euro 136,031.94 (to be allocated entirely to capital), by issuing a maximum number of 412,218 new ordinary shares with a nominal value of Euro 0.33 each, with the same characteristics as those in circulation with regular dividend entitlement.

Pursuant to the provisions of art. 2443 of the Italian Civil Code, pursuant to which the Directors may exercise the right to increase the capital for a maximum period of five years from the date of registration of the Shareholders' Meeting resolution granting the delegation (and therefore with respect to the date of the Shareholders' Meeting resolution up to 2023), for the allocation of the last tranche of shares envisaged for 2024, the proposal to integrate the delegation already conferred on the Board of Directors must be submitted to a future Shareholders' Meeting, so as to complete the execution of the 2018 System.

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

ORDINARY SHAREHOLDERS' MEETING
ITEM NO. 5 ON THE AGENDA

The issue of free ordinary shares necessary for the implementation of the 2018 System will be made through the use of the special reserve called "Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank" which, if necessary, may be reconstituted or increased by allocating a portion of available statutory profits or reserves created as a result of the allocation of Company profits which will be identified by the Board of Directors upon exercise of the delegation.

In the event that it is not possible to proceed with the issue (full or partial) of the shares serving the 2018 System (including the case in which the "Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank" is not enough), the beneficiaries will receive an equivalent amount in cash to be determined on the basis of the arithmetic mean of the official market prices of the FinecoBank ordinary shares recorded in the month preceding the Board resolution that verify the results achieved in 2018.

Dear Shareholders,

if you agree with the above, we invite you to approve the proposal on the agenda and, therefore, to take the following resolution:

“The Ordinary Shareholders' Meeting of FinecoBank S.p.A., having heard the proposal of the Board of Directors,

RESOLVES

1. to adopt the 2018 Incentive System, which provides for the allocation of an incentive, in cash and / or FinecoBank ordinary shares, to be carried out within the month of April 2024, to selected beneficiaries Identified Staff, within the terms and with the methods illustrated above;
2. to confer to the Chairman and to the Chief Executive Officer and General Manager, also separately from each other, every opportune power of attorney to implement the present resolution and the documents which represent part of it, also rendering any amendments and/or integrations which should be necessary to enact the present deliberations of today's Shareholders' Meeting (not changing substantially the content of the resolutions)”.

ON

2018–2020 LONG TERM INCENTIVE PLAN FOR EMPLOYEES

Dear Shareholders,

We have called this ordinary Meeting to request your approval of the 2018-2020 Long Term Incentive Plan for employees (also the “**2018-2020 Plan**” or the “**Plan**”), aimed at allocating an incentive in FinecoBank free ordinary shares, to be granted over a multi-year period to selected FinecoBank employees, according to the conditions described below and subject to the achievement of specific performance goals.

This proposal has been formulated in compliance with the provisions of section 114-bis of Decree 58 dated February 24th, 1998, and in accordance with the provisions set forth by Consob with reference to incentive plans based on financial instruments assigned to corporate officers, employees and collaborators; for this purpose, a document describing the details of the incentive systems has been prepared pursuant to Section 84-bis of the Consob Regulation no. 11971/99 and subsequent amendments, and has been made available to the public under the terms of law and reference is made to detailed description of the Plan described in this report.

The proposal is also in line with FinecoBank Compensation Policy, the indications issued by Bank of Italy on remuneration policies and practices and the direction set by the European Directive 2013/36/UE (Capital Requirements Directive or CRD IV) and by EBA (European Banking Authority) guidelines. With this regards, it should be recalled that FinecoBank, in respect to these provisions, has defined the adoption of a ratio between the variable and the fixed remuneration equal to 2:1 for employees who belong to the business functions, except of course the application of a lower limit according to the provisions of current legislation.

1. 2018–2020 LONG TERM INCENTIVE PLAN FOR EMPLOYEES

GOALS

The “2018-2020 Plan” aims to incentivize, retain and motivate in the long term the beneficiaries, in compliance with national and international regulatory requirements and with the aim to define – in the interest of all stakeholders – incentive systems aligned with long term company strategies and goals, linked to Company results, adjusted in order to consider all kind of risks, in coherence with capital and liquidity levels needed to cover the activities in place and, in any case, able to avoid misleading incentives that could drive excessive risk taking for the bank and the system in its whole.

BENEFICIARIES

The beneficiaries of the Plan are estimated at 10 January 2018 in 65 employees selected from the Bank's "key" resources, including Executives with Strategic Responsibilities. The Heads of the

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

Corporate Control Functions are excluded from the Plan, for which from 2016 a maximum incidence of variable remuneration of 33% on fixed remuneration is applied.

ELEMENTS OF THE PLAN

- (a) The Plan aims to incentivize, retain and motivate the beneficiaries for the 2018-2020 performance years and sets targets linked to the FinecoBank 2020 targets in terms of value creation, sustainability and risk;
- (b) specifically, the Plan envisages performance targets at the Bank level such as the EVA, the Cost / Income and the Cost of Risk on commercial loans. The goals have a percentage weight on the total bonus and their evaluation (with the exception of the Cost of Risk for which an "on-off" threshold is envisaged) is based on progressive thresholds, which correspond to increasing percentages of bonuses from 0 to 100% with a linear progression;
- (c) the Plan provides for entry and malus conditions of capital, liquidity and profitability of FinecoBank and the Group, specific individual compliance conditions and a specific clawback clause;
- (d) the Plan provides risk-weighted measures to ensure long-term sustainability with reference to the company's financial position and to ensure compliance with the Authority's expectations;
- (e) the Plan provides for individual bonuses in FinecoBank shares defined taking into account the roles of the beneficiaries;
- (f) the individual bonuses will be paid with a payment structure over a multi-year period, defined according to the beneficiary categories and in line with the regulatory provisions, as shown in the following table:

	2021	2022	2023	2024	2025
CEO and General Manager			40% shares		60% shares
Other Identified Staff			60% shares	20% shares	20% shares
Other beneficiaries	40% shares	20% shares	20% shares	20% shares	

- (g) in relation to the ratio between the variable and fixed remuneration component, in compliance with the applicable regulatory provisions and consistently with the provisions of the FinecoBank 2017 Compensation Policy, the respect of the maximum limits envisaged is confirmed, also taking into account the variable short-term remuneration related to each year of performance;
- (h) the assessment of the Group and local "sustainable performance" parameters (entry and malus conditions) and the alignment between risk and remuneration are examined by the Remuneration Committee, as well as by the Risk and Related Parties Committee and defined by the Board of Directors
- (i) payments in shares for the Beneficiaries Identified Staff - in accordance with the current regulatory provisions - require periods of unavailability on them. In fact, the defined payment structure provides for the deferred allocation of shares (two years for "upfront" payment and one year for "deferred" payment);

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

- (j) the number of shares to be paid in the respective tranches, to be assigned following verification of the achievement of performance targets, will be determined in 2018 on the basis of the arithmetic mean of the official closing prices of the FinecoBank ordinary shares recorded in the month preceding the resolution of the Board of Directors of FinecoBank which will execute the Shareholders' Meeting resolution concerning the Plan. The assignment of maximum n. 1,600,000 FinecoBank free ordinary shares, representing approximately 0.3% of FinecoBank's share capital, is estimated;
- (k) the FinecoBank ordinary shares assigned will be freely transferable.

CHANGES TO THE PLAN

In order to ensure compliance with the current legal and regulatory provisions (including fiscal matter), during the implementation of the Plan, it deems appropriate to propose delegation of powers to the Chairman and the Chief Executive Officer and General Manager, also separately among themselves, to make any changes to the Plan that do not alter the substance of the resolutions of the Board of Directors and the Shareholders' Meeting, also by resorting to different solutions, which in full compliance with the Plan principles, enable the same results to be achieved (i.e. a different percentage distribution of the payments of the different tranches, a different deferral period, a period of restriction on the sale of the shares, the extension of the Plan to other beneficiaries considered equivalent to the Identified Staff, also using trust companies; of instruments other than Fineco shares where required by the regulations, the payment of an equivalent amount in cash instead of the allocation of shares, to be determined on the basis of the market value of FinecoBank shares, taking into account the arithmetic mean of the official market prices of the ordinary shares recorded in the month preceding each board resolution related to the actual allocations).

It is understood that the aforementioned changes will in any case be adopted in compliance with the applicable legal and regulatory provisions pro tempore in force.

2. SHARES REQUEST FOR THE 2018-2020 LONG TERM INCENTIVE PLAN FOR EMPLOYEES

The issue of free ordinary shares necessary for the implementation of the Plan, will be carried out in compliance with the provisions of art. 2349 of the Italian Civil Code on the basis of the delegation granted to the Board of Directors, pursuant to art. 2443 of the Italian Civil Code.

For this reason, today's Shareholders' Meeting in extraordinary session will be called to approve the proposal to assign such delegation to the Board of Directors.

In particular, for the purpose of issuing FinecoBank ordinary shares for the Plan, the proposal to grant a delegation to the Board of Directors pursuant to art. 2443 of the Civil Code to proceed with the increase in share capital, in compliance with the provisions of art. 2349 of the Italian Civil Code, for a maximum amount of Euro 324,743.10 (to be allocated entirely to capital), by issuing a maximum number of 984,070 new ordinary shares with a nominal value of Euro 0.33 each, with the same characteristics as those in circulation with regular dividend entitlement.

Pursuant to the provisions of art. 2443 of the Italian Civil Code, pursuant to which the Directors may exercise the right to increase the capital for a maximum period of five years from the date of registration of the Shareholders' Meeting resolution granting the delegation (and therefore with respect

to the date of the Shareholders' Meeting resolution up to 2023), for the allocation of the last two tranches of shares envisaged for 2024 and 2025, the proposal to integrate the delegation already conferred on the Board of Directors must be submitted to a future Shareholders' Meeting, so as to complete the execution of the Plan.

The issue of free ordinary shares necessary for the implementation of the Plan will be made through the use of the special reserve called "Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank" which, if necessary, may be reconstituted or increased by allocating a portion of available statutory profits or reserves created as a result of the allocation of Company profits which will be identified by the Board of Directors upon exercise of the delegation.

In the event that it is not possible to proceed with the issue (full or partial) of the shares serving the Plan (including the case in which the "Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank" is not enough), the beneficiaries will receive an equivalent amount in cash.

Dear Shareholders,

if you agree with the above, we invite you to approve the proposal on the agenda and, therefore, to take the following resolution:

“The Ordinary Shareholders' Meeting of FinecoBank S.p.A., having heard the proposal of the Board of Directors,

IDENTIFIED STAFF**

Dear Shareholders,

We have called this ordinary Meeting to request your approval of the 2018 Incentive System for Personal Financial Advisors (hereinafter, "**Personal Financial Advisors**" or "**PFA**"), aimed at allocating an incentive in cash and/or in FinecoBank free ordinary shares, to be granted over a multi-year period to a selected group of FinecoBank Personal Financial Advisors Identified Staff, according to the conditions described below.

This proposal has been formulated in compliance with the provisions of art. 114-*bis* of the Italian Legislative Decree no. 58 dated February 24th, 1998 ("**Consolidated Law on Finance**"), and in accordance with the provisions set forth by Consob with reference to incentive plans based on financial instruments assigned to corporate officers, employees and collaborators; for this purpose, a document describing the details of the incentive systems has been prepared pursuant to Section 84-*bis* of the Consob Regulation no. 11971/99 and subsequent amendments, and has been made available to the public under the terms of law and reference is made to detailed description of the 2018 Incentive System described in this report.

The proposal is also in line with FinecoBank Compensation Policy, the indications issued by Bank of Italy⁽¹⁾ on remuneration policies and practices and the direction set by the European Directive 2013/36/UE (Capital Requirements Directive or CRD IV) and by EBA (European Banking Authority) guidelines. With this regards, it should be recalled that FinecoBank, in respect to these provisions, has defined the adoption of a ratio between the variable and the fixed remuneration equal to 2:1 for the Personal Financial Advisors Identified Staff, within the regulatory limit.

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

GOALS

The 2018 Incentive System for Personal Financial Advisors Identified Staff (also the “**2018 PFA System**”) aims to retain and motivate the Personal Financial Advisors, in compliance with national and international regulatory requirements and with the aim to define – in the interest of all stakeholders – incentive systems aligned with long term company strategies and goals, linked to Company results, adjusted in order to consider all kind of risks, in coherence with capital and liquidity levels needed to cover the activities in place and, in any case, able to avoid misleading incentives that could drive excessive risk taking for the Bank and the system in its whole.

BENEFICIARIES

The potential beneficiaries of the 2018 PFA System, as provided by the criteria issued by Commission Delegated Regulation (EU) No. 604/2014 of March 4th, 2014, are:

- personal Financial Advisors with a total remuneration (“recurring” and “non-recurring”) greater than Eur 750,000 in the last year and with an impact on Bank risk profiles;
- personal Financial Advisors Area Manager who coordinate a structure to which is linked an overall portfolio equal or greater than 5% of total network assets and with an impact on Bank risk profiles;

The total estimated number of beneficiaries, as on the date of January 10th, 2018, is 10.

ELEMENTS OF 2018 PFA SYSTEM

- (a) The 2018 PFA System is based on the “bonus pool approach” to define variable remuneration to be paid in 2019. The link between profitability, risk and reward is assured by linking directly bonus pool with company results (at Group and local level), cost of capital and relevant risk profiles as stated in the Risk Appetite Framework;
- (b) the Bonus pool will be defined based on FinecoBank and Group performance and assigned to beneficiaries according to individual performance;
- (c) the 2018 PFA System - besides its aims to retain and motivate beneficiaries - confirm the alignment of FinecoBank to the national and international regulatory requirements providing for:
- the allocation of a variable incentive defined on the basis of the available bonus pool, of the individual performance evaluation as well as in coherency with the bonus cap set by the ordinary Shareholder’s meeting;
 - the definition of a balanced structure of upfront (done at the moment of performance evaluation) and deferred payments, in cash and in FinecoBank ordinary shares (also “shares”);
 - the distribution of share payments, coherently with the applicable regulatory requirements regarding the application of share retention periods. The payment structure defined requires a retention period on upfront shares of 2 years and of 1 year for deferred shares;
 - risk adjusted metrics in order to guarantee long-term sustainability with respect to company’s financial position and to ensure compliance with regulatory expectations;
 - entry and malus condition of capital, liquidity and profitability at FinecoBank level and of capital & liquidity at Group level, specific individual compliance and claw back clauses are also provided;

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

- (d) incentive payouts will be made over a multi-year period (2019-2023), as indicated below and provided that the agency relationship of the beneficiaries is in place at the time of each payment:
- in 2019 the first instalment of the overall incentive will be paid in cash ("1st instalment") in absence of any individual values/compliance breach, considering also the gravity of any internal/external findings (i.e. Audit, Consob and/or analogous local authorities);
 - over the period 2020-2023 the remaining amount of the overall incentive will be paid in several instalments in cash and/or FinecoBank ordinary shares; each further instalments will be subject to the application of the Zero Factor for the year of allocation and in absence of any individual /values compliance breach, considering also the gravity of any internal/external findings (i.e. Audit, Consob and/or analogous local authorities);
- (e) the final evaluation of sustainable performance parameters of the Group and of the Bank (entry and malus condition) and risk-reward alignment are reviewed by the Remuneration Committee, by the Risk and Related Parties and defined by the Board of Directors of FinecoBank.
- (f) the percentages of payments in cash and shares are defined as described in the following table:

	2019	2020	2021	2022	2023
Personal Financial Advisors Identified Staff	30% cash	10% cash	30% shares	10% shares+ 10% cash	10% shares

- (g) in coherence with the 2017 PFA System, it is foreseen a specific minimum threshold below which deferral mechanism will not be applied (Eur 75,000 that will be paid in cash);
- (h) the number of ordinary shares to be allocated with the third, fourth and fifth instalments will be defined in 2019, on the basis of the arithmetic mean of the official closing price of FinecoBank ordinary shares during the month following the Board resolution that verifies 2018 performance achievements;
- (i) the estimated allocation is maximum number of 297,620 FinecoBank ordinary shares, representing about 0.05% of FinecoBank share capital, therefore, well below the maximum limit of 20% provided by the applicable regulation, also taking into consideration the number of 60,397 treasury shares owned by the Company at the date of the present report, equal to 0.01% of share capital, and also the maximum number of treasury shares that at the moment is estimated to be assigned to support Incentive Systems already approved or that will be approved in the future, or other needs not foreseeable at the moment.
- (j) the FinecoBank ordinary shares to be allocated will be freely transferable.

CHANGES TO THE 2018 PFA SYSTEM

In order to guarantee the compliance with regulatory and legal dispositions (also in fiscal matter), during the implementation of 2018 PFA System, it deems appropriate to empower the Chairman and

the Chief Executive Officer and General Manager, also separately, with every opportune power to implement any eventual change to the 2018 PFA System that do not change substantially the content of resolutions of Board and today's General Shareholders' Meeting, also through alternative solutions that fully comply with the principles of 2018 PFA System and allow achievement of the same results (i.e.: a different percentage distribution of the various instalments of payments; a different period of deferral; paying an equivalent amount in cash in lieu of granting shares, to be determined on the basis of the market value of FinecoBank shares, considering the arithmetic mean of the official closing price of FinecoBank ordinary shares during the month following each Board resolution to execute the actual grant; extension of 2018 PFA System application to other beneficiaries considered as equivalent to identified staff).

It is understood that these amendments will be adopted in any case in accordance with the applicable regulatory provisions.

Dear Shareholders,

If you agree with the above proposal, you are invited to approve it by adopting the following resolution:

"FinecoBank's ordinary shareholders' meeting, having heard the Board of Directors proposal,

RESOLVES

1. to adopt the 2018 Incentive System for Personal Financial Advisors (PFA) Identified Staff which provides for the allocation of an incentive in cash and/or FinecoBank ordinary shares, to be performed by July 2023, in the manner and terms described above;
2. to confer to the Chairman and to the Chief Executive Officer and General Manager, also separately, every opportune power of attorney to implement the present resolution and the documents which represent part of it, also rendering any amendments and/or integrations which should be necessary to enact the present deliberations of today's Shareholders' Meeting (not changing substantially the content of the resolutions)".

**AUTHORIZATION TO PURCHASE AND DISPOSE OF TREASURY SHARES.
RELATED AND CONSEQUENT RESOLUTIONS**

Dear Shareholders,

We have called this ordinary Meeting to request your approval of the authorization to purchase and to dispose of treasury shares. Related and consequent resolutions.

SUPPLY RELATED TO THE 2018 PFA SYSTEM

In order to acquire the financial instruments needed to carry out the 2018 PFA System for the Personal Financial Advisors, it is needed to propose to the Shareholders' Meeting the authorization, pursuant article 2357 civil Code, to purchase and to dispose of treasury shares. In this way the Company will have, by purchasing them on the market, the shares needed to support the 2018 Incentive System for PFA through the assignment of those shares to the beneficiaries who have the right to receive them.

The proposal foresees to confer to the Board of Directors the faculty to carry out repeated and subsequent transactions to buy and sell (or other kind of disposals) treasury shares on a revolving base, also for fractions of the maximum amount authorized, so that, at any time, the number of shares of the purchase proposed and in the Company's ownership does not exceed the limits set by the law and by the authorization provided by the Shareholders' Meeting.

The authorization request is for maximum number of 297,620 ordinary shares, equal to 0.05% of share capital and, therefore, well below the maximum limit of 20% provided by the applicable regulation, also taking into consideration the no. 60,397 treasury shares owned by the Company at the date of the present report, equal to 0.01% of share capital, and also the maximum number of treasury shares that at the moment is estimated to be assigned to support Incentive Systems already approved or that will be approved in the future, or other needs not foreseeable at the moment.

The purchase of treasury shares will be executed within the limits of the distributable earnings and of available supply consequent to the last annual report approved at the moment of the disposal of purchasing operations.

The purchasing of treasury shares reduces the net worth of an equal amount, through the inclusion in the balance sheet of a specific passive item, with negative sign.

The proposal foresees that purchasing and disposition orders of treasury shares have to be made on regulated capital markets, according to art. 132 of the no. 58 dated February 24th, 1998 ("**Consolidated Law on Finance**") and to art. 144-*bis* (1) (b) of Consob regulation no. 11971/99, with the same operational procedures described in the guidelines of organization and management of such markets in order to guarantee equality in treatment between Shareholders and which do not allow the direct matching of purchase orders against pre-determined sell orders; in particular, these purchases will have to be made:

- (i) by public offering for purchase or trade;
- (ii) on regulated capital markets, according to the operational procedures described in the guidelines

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

of organization and management of such markets, which do not allow the direct matching of purchase orders against pre-determined sell orders;

- (iii) by allocating to Shareholders, proportionally to their own shares, a put option to be exercised during the period of the authorization granted by the Shareholders' Meeting to purchase treasury shares.

Sell operations of treasury shares in portfolio instead will be executed in the manner deemed recommendable for the Company's interest, including transfer and/or the assignment to execute stock granting incentive plans.

With reference to the amount of the purchasing operations, it is proposed that it should not be below the nominal per share value, equal to a nominal value of Eur 0.33 and not above, as a maximum, to the official closing price of FinecoBank ordinary shares registered in the MTA ("Mercato Telematico Azionario" – Milan Stock Exchange) in the day preceding the purchase, increased by 5%.

Regarding the disposal of the treasury shares, the Board of Directors will establish from time to time criteria for the definition of the corresponding fees and/or modalities, terms and conditions of purpose of treasury shares in portfolio, taking into consideration the procedure followed, the share price trend in the period prior to transactions and the best interest of the Company.

Finally it is proposed that the authorization to purchase is released for a period of eighteen months from the date of the Shareholders' Meeting that passed the resolution for authorization.

Dear Shareholders,

If you agree with the above proposal, you are invited to approve it by adopting the following resolution:

"FinecoBank's ordinary shareholders' meeting, having heard the Board of Directors proposal, according to the provisions of articles 2357 and 2357-ter of the Italian Civil Code, 132 of the Consolidated Law on Finance and 114-bis of Consob Regulation no. 11971/99

RESOLVES

1. to authorize the purchase and the dispose of a maximum of number 297,620 treasury shares, equal to a nominal value of Eur 0.33 each, for the purposes of "2018 PFA System" under the terms and conditions described above, considering that buy back operations of treasury shares could be executed after having received the necessary authorization of the Regulator, according to articles 77-78 Reg. UE no. 575/2013 (CRR) dated June 26th, 2013;
2. to confer to the Board of Directors and consequently to the Chairman and to the Chief Executive Officer and General Manager, also separately, every opportune power of attorney to implement the present resolution and to communicate to the market, in accordance with applicable regulations".

DIRECTORS' REPORT

ON

**2018–2020 LONG TERM INCENTIVE PLAN FOR PERSONAL FINANCIAL
ADVISORS (PFA) IDENTIFIED STAFF**

Dear Shareholders,

We have called this ordinary Meeting to request your approval of the 2018-2020 Long Term Incentive Plan (also the “**2018-2020 PFA Plan**” or the “**Plan**”) for Personal Financial Advisors (also “**PFA**”) Identified Staff, aimed at allocating an incentive in cash and/or in FinecoBank free ordinary shares, to be granted over a multi-year period, according to the conditions described below and subject to the achievement of specific performance goals.

This proposal has been formulated in compliance with the provisions of section 114-bis of Decree 58 dated February 24th, 1998, and in accordance with the provisions set forth by Consob with reference to incentive plans based on financial instruments assigned to corporate officers, employees and collaborators; for this purpose, a document describing the details of the incentive systems has been prepared pursuant to Section 84-bis of the Consob Regulation no. 11971/99 and subsequent amendments, and has been made available to the public under the terms of law and reference is made to detailed description of the Plan described in this report.

The proposal is also in line with FinecoBank Compensation Policy, the indications issued by Bank of Italy² on remuneration policies and practices and the direction set by the European Directive 2013/36/UE (Capital Requirements Directive or CRD IV) and by EBA (European Banking Authority) guidelines. With this regards, it should be recalled that FinecoBank, in respect to these provisions, has defined the adoption of a ratio between the variable and the fixed remuneration equal to 2:1 for the Personal Financial Advisors Identified Staff, within the regulatory limit.

GOALS

The “2018-2020 PFA Plan” aims to incentivize, retain and motivate the Personal Financial Advisors beneficiaries of the Plan, in compliance with national and international regulatory requirements and with the aim to define – in the interest of all stakeholders – incentive systems aligned with long term company strategies and goals, linked to Company results, adjusted in order to consider all kind of risks, in coherence with capital and liquidity levels needed to cover the activities in place and, in any case, able to avoid misleading incentives that could drive excessive risk taking for the bank and the system in its whole.

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

BENEFICIARIES

The potential beneficiaries of the 2018-2020 PFA Plan will be identified among the Financial Advisors who, at the end of the performance period, will belong to the "Identified Staff" category, in line with the current pro-tempore regulatory selection criteria.

To date, these criteria are defined by the European Commission Regulation no. 604/2014 of 4 March 2014, and are applied by FinecoBank providing for identification as "Identified Staff":

- Personal Financial Advisors with a total remuneration ("recurring" and "non-recurring") greater than Eur 750,000 in the last year and with an impact on Bank risk profiles;
- Personal Financial Advisors Area Manager who coordinate a structure to which is linked an overall portfolio equal or greater than 5% of total network assets and with an impact on Bank risk profiles;

At the date of this report, and without prejudice to the above criteria, the total number of beneficiaries of the 2018-2020 PFA Plan is estimated at 15.

ELEMENTS OF 2018-2020 PFA PLAN

- The 2018-2020 PFA Plan is designed to incentivize, retain and motivate in the long term the PFAs Identified Staff, by providing individual bonuses in cash and / or FinecoBank ordinary shares, to be paid to achieve cumulated individual performance targets in the 2018-2020 period, linked to Net Sales (NS), Net Sales of Guided Product (NSGP) and, for PFAs and Group Managers, also to the ratio between Guided Products (GD) as at 31 December 2020 on Total Financial Asset (TFA) as of 31 December 2019;
- in addition to the aforementioned goals, the 2018-2020 PFA Plan provides for entry conditions based on individual, FinecoBank and Group performance;
- the 2018-2020 PFA Plan provides for specific malus conditions of capital, liquidity and profitability at FinecoBank level and of capital and liquidity at Group level, as well as specific individual compliance conditions and a clawback clause;
- risk-weighted measures are also envisaged to ensure long-term sustainability with reference to the company's financial position and to ensure compliance with the Authorities's expectations;
- the 2018-2020 PFA Plan provides for a balanced structure of "upfront" and "deferred" payments, over a multi-year period, in the form of cash and / or FinecoBank ordinary shares (whose authorization for purchase and disposal will be requested to a future Ordinary Shareholders' Meeting, pursuant to current legislation);
- the percentages of cash and ordinary FinecoBank shares payments are established as shown in the following table:

	2021	2022	2023	2024	2025
Personal Financial Advisors Identified Staff	20% cash	20% cash	20% shares	20% shares	20% shares

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

- (g) in relation to the ratio between variable and fixed remuneration component, in compliance with the applicable regulatory provisions and consistently with the provisions of the FinecoBank 2017 Compensation Policy, it is confirmed - for PFA Identified Staff - the adoption of a maximum ratio between variable component and the fixed remuneration component equal to 2: 1, also taking into account the short-term variable remuneration referred to each year of performance;
- (h) the assessment of the Group and local "sustainable performance" parameters (entry and malus conditions) and the alignment between risk and remuneration are examined by the Remuneration Committee, as well as by the Risk and Related Parties Committee and defined by the Board of Directors;
- (i) payments in shares for the beneficiaries - in line with the current regulatory provisions - require periods of unavailability on them. In fact, the defined payment structure provides for the deferred allocation of shares (two years for "upfront" payment and one year for "deferred" payment);
- (j) the allocation of a maximum of 423,767 FinecoBank ordinary shares is estimated, representing approximately 0.08% of FinecoBank's share capital and, therefore, well below the maximum limit of 20% envisaged by the applicable law, also taking into account the n. 60,397 treasury shares held by the Company as of today, equal to 0.01% of the current share capital, as well as the maximum number of treasury shares currently estimated to be allocated for incentive systems already approved or which will be approved in the future, or of other needs not currently conceivable;
- (k) the FinecoBank ordinary shares assigned will be freely transferable.

CHANGES TO THE 2018-2020 PFA PLAN

In order to ensure compliance with legal and regulatory provisions (including fiscal matter), when implementing the 2018-2020 PFA Plan, it deems appropriate to propose delegation of powers to the Chairman and the Chief Executive Officer and General Manager, also separately among themselves, to make any changes to the 2018-2020 PFA Plan (provided they do not alter the substance of the resolutions of the Board of Directors and the Shareholders' Meeting), also by resorting to different solutions that fully comply with the 2018-2020 PFA Plan, allow to achieve the same results (ie a different percentage distribution of payments of the different tranches, a different deferral period, paying an equivalent amount in cash instead of the allocation of shares, to be determined on the basis of the market value of FinecoBank ordinary shares, taking into account the arithmetic mean of the official market prices of the shares recorded in the month following each board resolution related to the actual allocations).

It is understood that the aforementioned changes will in any case be adopted in compliance with the applicable legal and regulatory provisions pro tempore in force. Dear Shareholders,

if you agree with the above, we invite you to approve the proposal on the agenda and, therefore, to take the following resolution:

"Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation."

1. DELEGATION FOR CAPITAL INCREASE TO SUPPORT THE 2017 INCENTIVE SYSTEM

As known, on April 11th, 2017 the Ordinary Shareholders' Meeting approved the 2017 Incentive System aimed to incentivize the Identified Staff of FinecoBank, over a multi-year period (2018-2023), through a balanced structure of "upfront" (following the moment of performance evaluation) and deferred payments, in cash and/or in Fineco ordinary shares.

In the same date, the extraordinary Shareholders' Meeting approved to give to the Board of Directors the power of attorney to issue the necessary free ordinary shares to execute the 2017 System.

Considering that, pursuant to Article 2443 of the Italian civil Code, the power of attorney to the Directors for capital increase can't have a duration higher than five years from the date of the registration of relevant Shareholders' resolution, during the above mentioned meeting it was anticipated to Shareholders the need to submit to a future Shareholders' Meeting approval the proposed assignment of a further power of attorney to allocate the last share instalment to be executed in 2023, as foreseen by 2017 System.

Having said that, it is submitted for the approval of today's meeting, the proposal to give to the Board of Directors the power of attorney, that will be executed in 2023, to resolve a free capital increase for a maximum number of 90,000 ordinary shares, corresponding to up to Eur 29,700,00 calculated on the basis of the par value of Fineco ordinary share equal to Eur 0.33, consequently amending the Articles of Association.

The above mentioned capital increase would be carried out using the special reserve known as "*Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank*" set up for this purpose which, if case, may be increased via allocation of profits or a portion of available statutory reserves, formed from the distribution of company profits that shall be identified by the Board of Directors at the moment of share issuance.

2. DELEGATION FOR CAPITAL INCREASE TO SUPPORT THE 2018 INCENTIVE SYSTEM

It has been submitted to the approval of today's Ordinary Shareholders' Meeting the 2018 System based on financial instruments, in order to align shareholders' and Management interests, reward long term value creation and motivate and retain key resources of FinecoBank.

The 2018 System aims to incentive in a multi-year period the following employees: Chief Executive Officer and General Manager (CEO/GM), Deputy General Managers (DGM), Executive Vice President (EVP), Senior Vice President (SVP), employees with total remuneration greater than Eur 500,000 in the last year, employees included within 0.3% of staff with the highest remuneration,

employees whose remuneration is within the remuneration ranges of senior management and/or other Identified Staff and other selected roles (including new hires). The overall number of beneficiaries as at January 10th, 2018 is equal to 16.

Individual bonuses will be allocated to the beneficiaries of 2018 System based on available bonus pool, individual performance evaluation, internal benchmarking for specific roles and bonus cap as defined by the Ordinary Shareholders' Meeting.

Overall incentive pay-out shall be done over a multi-year period (2019-2024) in a balanced structure of "upfront" (following the moment of performance evaluation) and deferred payments, in cash and in shares, providing that the beneficiaries will be still employees at the moment of each payout:

	2019	2020	2021	2022	2023	2024
CEO/GM and other roles provided by law	20% cash	10% cash	20% shares	10% shares	10% shares	20% cash +10% shares
Other Identified Staff	30% cash	10% cash	30% shares	10% cash + 10% shares	10% shares	-

The number of shares to be allocated in the respective instalments shall be defined in 2019, on the basis of the arithmetic mean of the official closing market price of Fineco ordinary shares during the month preceding the Board resolution that evaluates 2018 performance achievements (the maximum number of shares to support the 2018 System is estimated equal to 505,345).

Considering the number of beneficiaries and the total number of financial instruments to be allocated, the optimal method identified to execute the 2018 System is the resolution – on one or more occasions - by the Board of Directors upon power of attorney delegated by this Shareholders' Meeting under section 2443 of the Italian civil Code, of a free capital increase, as allowed by section 2349 of the Italian civil Code, within five years of the date of the Shareholders' resolution, for a maximum amount of Eur 136,031.94 (attributable entirely to capital), with the issue of up to 412,218 new FinecoBank ordinary shares with a nominal value of Eur 0.33 each, with the same characteristics as those in circulation, with regular dividend entitlement, to be granted to the Identified Staff of FinecoBank. In compliance with section 2349 of the Italian civil Code, the consequent amendments to the Articles of Association are submitted to today's Shareholders' Meeting.

Being understood that, under the provision of section 2443 of the Italian civil Code, the power of attorney to the Board of Directors for capital increase can't have a duration higher than five years from the date of the registration of relevant Shareholders' resolution, in order to complete the execution of 2018 System - having a 6-years duration - it will be submitted to one of the future Shareholders' Meetings approval the proposed assignment of a further power of attorney to the Board of Directors for capital increase to service the above mentioned 2018 System through the allocation of a maximum overall number of 93,127 Fineco ordinary shares, corresponding to a capital increase of a maximum of Eur 30,731.91.

Please note that this is a convenient translation of an Italian document provided for information purposes only. Therefore, the Italian version of such document shall prevail in all respects on the English translation.

It is highlighted that a maximum number of Fineco ordinary shares equal to 50,535 will be devoted to possible new hiring of Identified Staff from external market also in reference to the so called “*bonus buy-out*” to be paid to possible new hires who are entitled to receive previous incentive plans assigned by previous Employer. The pay-out scheme offered in such cases will mirror the one as defined by the previous Employer and regardless in compliance with actual regulations.

The capital increase would be carried out using the special reserve known as “Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank” set up for this purpose which, if case, may be increased via allocation of profits or a portion of available statutory reserves, formed from the distribution of company profits that shall be identified by the Board of Directors at the moment of share issuance.

In case it would not be possible to proceed with the issuance (full or partial) of the Fineco ordinary shares to support the 2018 System (including the case in which the amount of the “*Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank*” would not be sufficient), an equivalent amount in cash will be allocated to the beneficiaries, determined on base of arithmetic mean of the official closing market price of Fineco ordinary shares during the month preceding the Board resolution that evaluates results achieved in 2018.

Should the aforementioned delegation of power of attorney be exercised to its maximum amount, the newly issued shares would represent an overall 0.07% of existing share capital (0.08% considering the maximum number of shares equal to 505,345 which include also the 93,127 shares for the allocation of the last instalments in shares in 2024).

3. DELEGATION FOR CAPITAL INCREASE TO SUPPORT THE 2018 – 2020 LONG TERM INCENTIVE PLAN

It has been submitted to the approval of today’s Ordinary Shareholders’ Meeting the 2018 – 2020 Long Term Incentive Plan based on FinecoBank shares, in order to align shareholders’ and Beneficiaries interests, reward long term value creation and in the meantime to motivate and retain key resources of FinecoBank

The 2018-2020 Plan has the aim to incentivize and retain, in a multi-year period, about no. 65 beneficiaries with “key” roles in the Bank’s organization, including the Managers with Strategic Responsibilities. The Heads of Control Functions are excluded from the 2018-2020 Plan as since 2016 their variable remuneration cannot exceed the 33% of fixed pay, by law.

The 2018-2020 Plan sets goals linked to 2020 Fineco Bank targets in terms of value creation, sustainability and risk.

The 2018-2020 Plan provides individual bonuses in FinecoBank shares, defined taking into account the roles of the Beneficiaries as well as the maximum limits provided for the percentage of incidence of the variable pay versus the fixed pay, taking into account the short-term variable remuneration.

The individual bonuses will be assigned with a multi-year payout scheme, defined taking into account the categories of beneficiaries and in line with the regulatory provisions, as shown in the following table:

AD e DG			40% shares		60% shares
Other Identified Staff			60% shares	20% shares	20% shares
Other Beneficiaries	40% shares	20% shares	20% shares	20% shares	

The number of shares to be allocated in the respective instalments to be assigned pursuant to the verification of the performance targets achievement shall be defined in 2018, on the basis of the arithmetic mean of the official closing market price of FinecoBank ordinary shares during the month preceding the FinecoBank Board resolution that executes the Shareholder's Meeting resolution related to the 2018 – 2020 Plan. It is estimated the assignment of maximum n. 1.600.000 FinecoBank free ordinary shares, representing an overall 0,3% of existing share capital.

Considering the number of beneficiaries and the total number of financial instruments to be allocated, the optimal method identified to execute the 2018 – 2020 Plan is the resolution – on one or more occasions - by the Board of Directors upon power of attorney delegated by this Shareholders' Meeting under section 2443 of the Italian civil Code, of a free capital increase, as allowed by section 2349 of the Italian civil Code, within five years of the date of the Shareholders' resolution, for a maximum amount of Eur 324,743.10 (attributable entirely to capital), with the issue of up to 984,070 new FinecoBank ordinary shares with a nominal value of Eur 0.33 each, with the same characteristics as those in circulation, with regular dividend entitlement, to be granted to the Plan beneficiaries. In compliance with section 2349 of the civil Code, the consequent amendments to the Articles of Association are submitted to today's Shareholders' Meeting

Being understood that, under the provision of section 2443 of the Italian civil Code, the power of attorney to the Board of Directors for capital increase can't have a duration higher than five years from the date of the registration of relevant Shareholders' resolution, in order to complete the execution of the 2018-2020 Plan it will be submitted to one of the future Shareholders' Meetings approve the proposed assignment of a further power of attorney to the Board of Directors for capital increase, for the purpose of the assignment of the last two tranches of shares as provided by the 2018-2020 Plan, in 2024 and 2025, through the allocation of a maximum overall number of 615,930 Fineco ordinary shares, corresponding to a capital increase of a maximum of Eur 203,256.90.

The capital increases would be carried out using the special reserve known as "Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank" set up for this purpose which, if case, may be increased via allocation of profits or a portion of available statutory reserves, formed from the distribution of company profits that shall be identified by the Board of Directors at the moment of share issuance.

In case it would not be possible to proceed with the issuance (full or partial) of the FinecoBank ordinary shares to support the 2018 – 2020 Plan (including the case in which the amount of the "Provisions Linked to the Medium-Term Incentive System for the staff of FinecoBank" would not be sufficient), an equivalent amount in cash will be allocated to the beneficiaries.

In light of the above, it is proposed to amend Art. 5 of the Articles of Association, through the amendment of the paragraph no. 11 and the insertion of two additional paragraph (no. 12 and 13). Changes submitted to Shareholders' approval are shown in the synoptic table below.
